Dear Pippa and Team Members

Pinion Insurance Brokers – New Offices

On behalf of all of us at Pinion, I would like to thank you and your team for the fantastic work you have done at our offices.

The service offered by you and your company was highly professional at all times and you exceeded our every expectations by having the entire 1000m2 gutted, re-installed, complete with new furniture and ready for us to move in within 4 weeks from commencement of order.

The quality of the office space and the furnishings are extremely satisfying given the limited budget with which you had to work. We are very proud of our new offices and have received many compliments as a result of your work.

We would recommend you to any corporate body, requiring your services with regards to designing, space planning and setting up the offices they will occupy.

Thank you again, to you and your team for a job well done. We look forward to an ongoing relationship and please know that you are welcome in our offices at any time.

Kind regards
