Dear Pippa

Spirit Capital – Office Upgrade

We would like to take this opportunity to thank you for work recently completed at our offices in Inanda Greens Office Park.

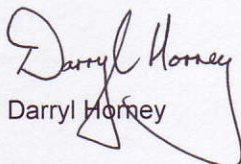

The disruption to our working hours was minimal as a result of your careful planning and ensuring that all work was carried out over weekends or alternatively when the partners were out of the office. We are also appreciative of the sensitivity shown to our budget and feel that we have achieved exceptionally high standard of office space on a limited budget.

We have received numerous compliments with regards to our offices, all of which are entirely attributable to you and your company and once again would like to thank you for this.

We would recommend your services to any company requiring not only an upgrade of their current office space, but also to any company requiring the full scope of works that you offer.

We look forward to an ongoing relationship with yourself and Workspace.

Yours sincerely

Darryl Horney
